Thursday 21st March 2024

Dear Parents/Carers,

As part of our preparation for Key Stage 2 SATs, we would like to invite your child to take part in an after-school revision club that focuses on key skills that will be required to tackle the forthcoming SATs papers.

The club will take place every Wednesday from 3.20pm to 4.20pm with the first session taking place on the 10th April.

During the hour long session we will be focusing on test technique applicable to all of the papers that your child will sit as well as specific reading, arithmetic, reasoning, spelling, punctuation and grammar skills. We'll also throw in some refreshments!

If you would like your child to attend the club could you please complete the permission slip below.

CGP Revision Books

Pupils will also be bringing home with them some SATs revision booklets which they can use to help prepare themselves for the upcoming tests. See reverse of this letter for further details.

Year 6 SATs Meeting

There will also be a short meeting for parents after Easter where the Year 6 team will go through what SATs week will look like in school. This will take place on Tuesday 16th April 2024 from 2.50pm until 3.20pm.

Yours Sincerely

Mr Walford

SATS REVISION CLUB

Name of child _____ Year 6

I would like my child to attend the after school revision club that begins on 10/04/24.

I give permission for my child to walk home from after school club alone at 4.20pm. Yes/No

or

I give permission for my child to meet me at an arranged collection point at the end of after school club at 4.20pm. Yes/No

_____ (named meeting point)

or

I will be collecting my child from school at the end of after school club at 4.20pm. Yes/No

Signed _____ Date _____

SATs Revision

Pupils will have brought home with them some CGP revision books to support their learning ahead of SATs. **Please ensure that pupils bring these books to school each day with them as they will be used in class as well as at home.**

In the table below are details of key skills that pupils can focus on during the Easter holidays in each of the curriculum areas that they will be formally assessed in. I've also included page numbers, where applicable, for the text books that they are bringing home with them:

CGP Book	Maths SATs Question Book	English SATs Question Book	Grammar, Punctuation & Spelling Targeted Question Book
Skill to focus on	Multiplying Fractions (p.32) Adding & Subtracting Fractions (p.34)	Word Meaning (p.1) Making Inferences (p.6)	Expanded noun phrases (p. 12-13) Apostrophes (p. 52-55)
Further Support	CGP Key Stage Two Knowledge Organiser Maths (Red book – pupils brought home previously)	CGP Key Stage Two Knowledge Organiser Maths (Blue book)	The blue box at the top of each page in the Targeted Question Book details the skills needed for these tasks.

As the booklets will also be used in class there isn't any need to complete all of them! However, please feel free to allow your child to read other sections as well as the pages listed above if they want to. Remember that revision is helpful but (like the Easter eggs) don't overdo it! Have a rest, have fun and recharge your batteries as well.

Here are some things that you can do with your child over the Easter holidays to help prepare them for the forthcoming SATs that they will be taking in May.

Times tables.

The tests will require pupils to use their instant recall of multiplication and division skills. Particular times tables to focus on include the 7, 8, 9 and 12 times tables. Pupils can improve these skills by playing the **Hit the Button** game online and **Times Tables Rockstars**:

<https://play.ttrockstars.com/auth/school/student/17733>

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Satsy McSatsface (videos to support with all different areas of maths) - <https://www.mathswithamouse.co.uk/satsy-mcsatsface-revision>

BBC Bitesize - The Grammar, Punctuation and Spelling section is most likely to be useful for revision.
<https://www.bbc.co.uk/bitesize/subjects/zv48q6f> Make sure you click on the Y6 tab.

Mr Walford
