Dear Mrs Taylor & School Community

On behalf of St Peter's Foodbank I would like to say huge "THANK YOU" for the fantastic response with Harvest donations, they are very much appreciated . We sorted weighed and dated yesterday. The total weight was 198.7 kg. We really do appreciate the support as we are seeing increase in demand and expect to do so in coming winter months.

Your generous donations will help us to help others

God Bless

Angela Wyre
