Head Teacher: Mrs K Hinton Deputy Head Teacher: Mr J Walford

Dear Parents/Carers,

As of September, we will no longer be engaging with Rocksteady music lessons in school. We have now joined with **Rock It Music** to offer all our pupils the opportunity to engage in quality music education. Miss Scoines will be providing lessons to Year 1 through to Year 6, to support our music curriculum. This will be completely funded by the school, providing every child with the opportunity to learn various instruments, including keyboard, ukelele, and steel drums. They will also be able to perform in school concerts.

Here are a few words from their Director John Baugh;

Rock It Music Projects Ltd is delighted to be associated with St Peter's Catholic Primary School.

Our schemes of work are very much performance based, with every child having the opportunity to learn to play a variety of musical instruments, from Caribbean Steel Drums, to keyboards and ukuleles.

Whilst rock and pop music play a big part in our teaching, film themes and classical music are also taught and students get the chance to compose their own pieces, as well as learning improvisation and notation. Children are encouraged to sing and are invited to lead the class using microphones and technology. Of course, music is for sharing, so we are keen to support concerts, both in school and also the wider community.

Each year a London College of Music examiner visits school and assesses the classes' performance.

Throughout the school year, our team of teaching staff never lose sight of our Company motto: Making Music - Having Fun.

*John Baugh
Education Manager/Director RMP Ltd*

Teaching music can have numerous benefits for children from helping with behaviour and confidence to encouraging creativity and learning skills that can be used across many subjects.

We hope that Rock It Music will be a welcome addition to our school and children will get enormous fulfilment and opportunities by taking part.

Yours Sincerely,

Mrs. K Hinton
