17 July 2024

Dear Parents/Carers,

We are delighted to inform you that in September 2024, we will be using the new SCOPAY Payments App. You will be able to pay for your child's school dinners, toast, trips and uniform via this app. Linus club payments will also need to be made on the SCOPAY app. These payments **MUST** be made the day before bookings, otherwise they will not be processed.

We are hoping that by using this new system, it will alleviate any issues previously encountered on Weduc Payments on the Reachmore Parents app. Please note, that we **WILL STILL** be using Reachmore Parents for our main communications, including messages to parents and absence submissions. **Please do not delete the Reachmore App and make sure notifications are turned on.**

This means that you will now be using two separate apps, one for communications (Reachmore) and one for payments (SCOPAY).

Please make sure any outstanding payments on the Reachmore App are settled **before 19<sup>th</sup> July**. Any existing balances will be carried over to SCOPAY.

Parents must make sure that there is sufficient balance on their account before the first day of term (4<sup>th</sup> September) on SCOPAY. Children will also now be selecting their own lunch choice in school during morning registration every day, there is no longer any need for parents to make meal bookings beforehand.

We will soon be sending parents their unique code login via email.  
If you have any queries, please call 01922 710872, or visit the School Office.

Yours sincerely,

School Office  
St. Peter's Catholic Primary School
